HEALTH FOR THE STATES!!

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF LOSS OF HEALTH, DISORDERED STOMACH, INDIGESTION AND DETERMINATION OF BLOOD TO THE HEAD.

Copy of a letter from Mr. John Lloyd, of Evesham, near Worcester, Merionethshire.

To Professor Holloway:

Sir—I avail myself of the first opportunity of informing you, that for a very long period I was afflicted with a dangerous giddiness and frequent swoonings in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means had failed to give me any permanent relief, and at length I became so alarmed that I was really afraid of going about without an attendant. In this melancholy condition I waited personally upon Mr. Hughes, Chemist, Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them without delay, and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper.

I am, Sir, your obedient servant,

June 6th, 1852. (Signed) JOHN LLOYD.

MIRACULOUS CURE OF DROPSY.

DEAR SIR—I deem it a duty I owe to you and the public at large, to inform you of a most miraculous recovery from that dreadful disease, Dropsy, and which, under God, was effected by your invaluable Pills. I was tapped five times within eight months, and skillfully treated by two medical practitioners, but could not get cured, until I had recourse to your remedy, and notwithstanding all I had undergone, this miraculous medicine cured me in the course of six weeks.

(Signed) EDWARD ROWLEY.

INFALLIBLE CURE OF A STOMACH COMPLAINT, WITH INDIGESTION AND VIOLENT HEAD-ACHES.

Extract of a Letter from Mr. S. Gowen, Chemist, of Clifton, near Bristol, dated July 14th, 1852.

To Professor Holloway:

DEAR SIR—I am requested by a Lady named Thomas, just arrived from the West Indies, to acquaint you that for a period of eight years, herself and family suffered from continual bad health, arising from disorders of the liver and stomach, indigestion, loss of appetite, violent head-aches, pains in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result; at last she had recourse to your invaluable Pills, which in a very short time effected so great a change for the better, that she continued them, and the whole family were restored to health and strength. Further, she desires me to say, that she has witnessed their extraordinary virtues in those complaints incidental to children, particularly in cases of Measles and Scarlatina, having effected positive cures of these diseases with no other remedy. (Signed) S. GOWEN.

These celebrated Pills are wonderfully efficacious in the

Doors open from 1-12 to 4, and from 7 to 9 o'clock, P. M.

The largest Traveling EXHIBITION in the World, being a combination of all the most popular and un-exceptionable amusements of the age; enlarged and improved for the season of 1853.

A TEAM OF TEN ELEPHANTS

Will draw the great Car of Juggernaut.

A Baby Elephant.

Only one year old, and about 3-4 feet high, will carry upon his back around the interior of the immense Pavilion, the Lilliputian GENERAL TOM THUMB. The magnificent Carriage comprises 170 Horses and 90 men. The Pavilion of Exhibition has been enlarged until it is capable of accommodating 15,000 spectators at once. The collection of living Wild Animals includes the most splendid specimens ever exhibited in America. Among many others will be found

EIGHT BEAUTIFUL LIONS

Fresh from their native Forests. A Monster White Polar Bear, of prodigious size and ferocity. A Magnificent Royal Tiger; the largest one ever captured alive. A Pair of Young Lions; only six months old. An Infant Lion; only six months of age, the first ever born in America &c., &c. The drove of Elephants were captured in the jungles of Central Ceylon, by Messrs. S. B. June and Geo. Nutter, assisted by 260 Native Indians, in a journey of three months and four days in the Jungles. They were finally entrapped and secured near Indian River, of enormous dimensions and prodigious strength, where they were subdued. The Capt. Elephant accompanied its Dam, and was weaned on its passage from India.

P. T. BARNUM,

Proprietor of the American Museum, New York, has the honor to announce, that encouraged by the brilliant success which has attended all his various efforts for the amusement of the public, he has been led to form the project of organizing a vast traveling

MUSEUM OF WONDERS,

Which comprises a greater variety of Attractions, and more extraordinary Novelties, than any traveling exhibition in the world. Every feature of this Mammoth Establishment is of a peculiar and interesting nature, and the whole is produced upon a gigantic scale of magnitude. The traveling paraphernalia of the American Museum, as it enters each town, is produced by the gorgeous CAR OF JUGGERNAUT; drawn by Ten Elephants, superbly caparisoned, being an accurate model of that terrible engine of idolatrous sacrifice, finished and decorated in all the extravagances of the Hindoo style. Following this monster vehicle, is a long procession of costly Cages and Carriages, the whole forming a spectacle of more than Oriental splendor. The Exhibition will take place within a magnificent Variegated Pavilion, composed of American Fags of water-proof fabric. The real, genuine, original

General Tom Thumb

Is attached to this Exhibition, and will appear in all his performances as given before the principal crowned heads of Europe, including Songs, Dances, Grecian Statues and his admired personations of Napoleon and Frederick the Great. The little General is twenty-one years of age, weighs only fifteen pounds, and is but twenty-eight inches high. Also engaged

Mr. Nellis,

The man without arms, who will execute his extraordinary feats of loading and firing a pistol with his toes cutting profile likenesses; shooting at a mark with a bow and arrow; playing upon the Accordion and Violoncello, &c. Mr. Nellis, in these performances, exhibits a wonderful example of what indomitable energy and industry can accomplish, even when laboring under disadvantages apparently the most insurmountable. A complete Menagerie of

Living Wild Animals,

Is also included in the American Museum, and at a convenient period during the Exhibition

MR. PIERCE

Will enter the Dens of the Wild Beasts, and give his classical illustrations of Hercules struggling with the Nemean Lion; Daniel in the Lion's Den; Sampson destroying the Lion, &c. One of the most interesting portions of the exhibition is formed by the display of a great collection of

WAX STATUARY,

Including figures of the size of life, of all the Presidents of the United States, and also of a great number of the noted characters, American and Foreign, all of which are accurate likenesses, and appropriately costumed. In fact, the whole Establishment is a vast repository of

WONDERFUL OBJECTS OF NATURE AND ART,

The full particulars of which it would be impossible to give within the limits of a newspaper advertisement, and which has been brought together at an enormous expenditure of means, forming the largest and most novel traveling Exhibition in this or any other country.

A fine Military Band will perform the most popular airs of the day, as the procession enters town, and also during the hours of Exhibition.

NEW GROCERY!

At the old stand, the Baltimore Store, nearly opposite the City Hotel, where may be found a good assortment of groceries of fine quality, as cheap as the cheapest. And when they can be had, butter, eggs, lard, soap, bacon, &c., for all of which the highest market price in cash will be paid, and sold as low as at any other house in the city. I respectfully ask my friends and the public generally to call and see me before purchasing elsewhere.

Beech Drop, or Cancer Root,

which gradually extended over her whole body. The character of the disease was so violent that we despaired of saving her life; and she died the loss of her feet. She had scalded over her entire head; and after using tar caps, and taking 8 or 10 bottles of Kidwell's Panacea, and a great quantity of Epsom or Sarsaparilla, some one directed James Webster to me. He was confident of the success of the Extract of Beech Drop, and I used it. In three weeks her sores were all healed; and her head, so sore to the sight, was soon dried up. She is married now, and blessed with a healthy family; and has not had the least return of her disease since.
